ABOUT ME

If I'm in love with something, I will split it right down to the atoms and I'll explore everything there.

What I'm in love with: **programming**.

LANGUAGES

Russian: native,
English: upper-intermediate B2.

EDUCATION

Loftschool **2021**

- Basics of website layout
- Web development for beginners

Multidisciplinary College of ISTiS SUSU, computer operator 2012-2013
